ALVITI CREATIONS
2025-2026

Proudly Made in the USA

A FAMILY BUSINESS

The Alviti Family run business began in 1967 by Ralph Alviti. Over the years the company has grown and prospered, expanding by acquiring two other companies to become the largest designer and manufacturer in the industry.

Along the way, the Alviti Family designated quality as the benchmark for their growth. Today their unique processes in both gold and silver and their total commitment to quality make the Alviti name one to trust and support. Every step through processing and production is inspected to maintain 100% customer satisfaction.

We don't just expect zero defects, we demand them. We invite you to peruse the products we offer, knowing the quality is superb, the craftsmanship outstanding and the service and delivery exceptional.

Thank you for including Alviti Creations and their product groups for your consideration.

IN MEMORIAM

RALPH ALVITI

February 23, 1927 - March 15, 2020

While all of us at Alviti Creations, Inc. honor Ralph Alviti for founding and nurturing this company for the past 45 years, he will also be remembered as a beloved father, grandfather and great-grandfather.

His love for airplanes resulted in working in research and development for the U.S. Navy. Because of his drive, dedication and passion, he leaves a family legacy of businesses including Bel-Air, a world-class machine tool company, and Alviti Creations. He shall be missed by all his employees, family and his companion, Leonardo, the cat.
